Re: Epcor Water Arizona Inc., Docket Nos. W-01303A-09-0343 & SW-01303A-09-0343

Dear Interested Parties and Stakeholders:

RUCO provided notice of filing of a Settlement Agreement for this EPCOR matter on November 19th. The details of the Agreement have raised some questions for me.

Here are my questions for the parties:

- 1) Prior to the Settlement Agreement, what was your position on deconsolidation and consolidation? (Were you in favor or opposed to full consolidation, full deconsolidation, partial consolidation or deconsolidation, or a reversal of the Anthem/Agua Fria deconsolidation? Other?)
- 2) Since the Settlement Agreement has your position changed?
- 3) Do you see the Settlement Agreement as the first step toward your position? Please explain.
- 4) How does the Settlement Agreement advance or hinder the position you support?

I believe the forthcoming answers will aid me in my thoughtful deliberation of this matter. Please docket your responses by Wednesday December 10th, 2014.

Thank you.

Sincerely,

Brenda Burns
Commissioner
